## About the Program

**Hear the Word** is a children's feature, featuring kids! Hear the Word is now available as a **weekly 1-minute and 3-minute feature**. Each episode consists of narrated adaptations of the Bible stories, accompanied by musical arrangements and scene-setting sound effects that create a memorable journey for your listeners. PLUS, the episodes are **narrated by the adorable and charismatic voice talents of child readers!**

Hear the Word: Read by kids. Enjoyed by all.

## About Waking Word

Waking Word is a Vermont nonprofit media ministry producing Christ-centered content that supports faith formation and biblical literacy in children. Through the Craft Stick Bible Stories video series, the Mini Morals live-action series, in-person media workshops, and now the Hear the Word audio series, Waking Word strives to equip families and Christian educators with creative and fun ways to share the love of Christ with the children in their lives.
